### **DETAILED ACTION**

1. This office action is in response to the communication filed on August 19, 2004.

#### ***Terminal Disclaimer***

2. The terminal disclaimer filed on August 19, 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Patent No. 6,625,599 has been reviewed and is accepted. The terminal disclaimer has been recorded.

#### **Allowable Subject Matter**

3. Claims 1 - 15 are allowed over the prior art of record.
4. The following is an examiner's statement of reasons for allowance:

The prior art of record, either singularly or in combination, fail to anticipate or render obvious the recited feature "in a computer environment, a method for searching data to locate a portion of said data identified by a search query, the method comprising: receiving a search query including two or more fragments ....., and wherein if a data portion qualifies as a minimal portion the method includes the step of identifying the data portion as a minimal portion", as recited in the independent claims.

The dependent claims, being definite, further limiting, and fully enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
